LULAC-WISCONSIN ANNOUNCES WWW.LULAC-WISCONSIN.ORG

The League of United Latin American Citizens in Wisconsin (LULAC-Wisconsin) is proud to announce the release of www.LULAC-Wisconsin.org. This website is a portal to local, state, and federal issues that impact civil rights, education, economic development, healthcare and political advancement.

“LULAC-Wisconsin.org will give us a new tool in communicating with the community,” stated Yolanda Santos-Adams, State Director. “Since our historic convention here in Milwaukee this summer, we have been overwhelmed by people wanting to learn more about LULAC and how to join. With this web site, people will now be able to go online and request information, find the nearest LULAC council, become informed on important issues, see upcoming events such as our Mexican Fiesta Prayer for Immigrants Mass on August 27th at the Summerfest grounds, and much more,” added Santos-Adams.

The League of United Latin American Citizens (LULAC) is the oldest and largest Latino civil rights organization in the United States. LULAC advances the economic condition, educational attainment, political influence, health, and civil rights of Hispanic Americans through community-based programs operating at more than 700 LULAC councils nationwide.
